

Spring 2023 STAAR Reporting Timelines

The spring 2023 State of Texas Assessments of Academic Readiness (STAAR®) has been redesigned to align closer to classroom instruction and the unique ways students learn. Reporting final test results for the redesigned STAAR will take a bit longer this year because educators from across the state will meet to provide their expert opinions on the passing scores for the redesigned assessments.

End-of-Course

**MAY
31**

Early Scale Scores and Performance Levels

Districts can access scale scores and performance levels and make decisions regarding a student. Early results may be considered final unless districts request corrections.

**JUNE
30**

Results for Families

Available in the Family Portal.
